Guaranteed Performance

We're so confident in the OptoWire guidewire that \$100 guarantees it's the only wire you need to complete a PCI.

OptoWire allows you to diagnose, treat and complete with one wire. Designed with the feel and performance you need to reach any lesion from simple to complex, giving you workhorse performance in a precision physiology wire.

Rely on the OptoWire guidewire in your next PCI for guaranteed performance. If you have to use any other workhorse guidewire, we'll credit \$100.

Offer available to approved customers. Terms and conditions apply.
